Providing Free Public Safe Boating Course through the NMI

### **Northeast Maritime Institute Announces Availability of Providing Free Public Safe Boating Course through the Northeast Maritime Institute**

#### ***Commonwealth of Massachusetts Safe Boating Course for Age 12 - Higher***

*Fairhaven, Massachusetts - Providing Free Public Safe Boating Course through the Northeast Maritime Institute - Today Northeast Maritime Institute announced immediate availability of Providing Free Public Safe Boating Course through the Northeast Maritime Institute, enabling owners of recreational boats to immediately sign up to learn and improve their knowledge of safe boating operations.*

“Anyone operating any vessel that is powered by an engine or sail should take this free course by some of the nation’s premier instructors in vessel operations,” said Eric R. Dawicki, President at Northeast Maritime Institute.

#### **Positive Customer Impact**

Many people have already benefited from Providing Free Public Safe Boating Course through the Northeast Maritime Institute. Northeast Maritime Institute is helping the local community prepare for summer by hosting the Boating Safety course. The course is a state and nationally approved safety course that concentrates on the equipment and operating guidelines required to enjoy boating in a safe and responsible way.
